"What's all the rush? No romance?" she asked. I told her she'd had all the romance she was going to get and that all I wanted now was a good old dirty fuck. And a fast one at that! Helen cooed excitedly and I felt a rush of sexual exhilaration I'd not felt since our first night together. "What are you going to do to me?" she asked playfully. "I'm going to eat out your cunt while you suck my cock and drink my spunk," I told her. Now we were set to split I figured I might as well pull out all the stops. To my delight she giggled with mischief and said she couldn't wait. "What else?" she then asked, really getting off on my dirty talk. "What else?" I repeated and tried to think of the most extreme thing I could to shock her. "I'll tell you what else; I'm going to fuck you in the arse, that's what else. I'm going to bend you over and fill your tight little arse with my thick cock and fuck you like you've never been fucked before!" Helen looked stunned and for a horrible moment I thought she was going to get her things

By now my cock was aching hard and twitching with readiness, so I stroked it against her cunt to wet myself up, then pressed the tip into her crinkled bum hole. Helen yelped as my cock sank into her; the deeper it drove, the louder she shouted, until she was all but screaming at me and calling me every dirty name she could think of. As I admired the incredible view of her taut sphincter stretched around my pole I slapped her silky but-tocks and told her she was a dirty cow who took it in the arse, and this only seemed to make her more excited as she bucked back against me, squashing her soft buttocks against my haunches.

I eased further forward until I was inside her ring to the very root and my pubes were matted with her juices and then, slowly, I drew myself out a little then pumped it back inside, making her firm tits jiggle where they hung below her. I reached underneath and took them into my hands and played with her stiff nipples as I slammed into her back passage. Helen was totally insatiable, grabbing my arse and pulling me into her again and again. I didn't recognise her at all from the well brought up girl I'd been going out with before that evening!

"Give it to me, give it to me hard," she barked as I stuffed my aching dick into her harder and harder. Then I felt the splash of warm juice on my thighs as Helen came all over me. After that I spun her onto her back and fucked her arse from the front for a time, loving the expression on her face as I drove my cock into her. Not a lot of people know that you can fuck a girl up the bum while she's on her back, they always think it's got to be from behind. Try it some time – I bet she'll love it! "Spunk all over me!" she moaned, rubbing her nipples. "Come on, I want your load on my face!" I couldn't stand it any longer and pulled my prick from between her buttocks just as I launched an enormous fountain of come all over her naked body. My initial load hit her straight in the tits and I milked the rest off all over her face and mouth, wiping the remnants onto her tongue.

Helen's gone now but at least I took something to remember her by – the feel of her tight arsehole round me cock!

Dear The Lounge,

I thought you might like to hear about one of the best nights of my life! A couple of weeks ago, I was out on the town with the lads, getting boozed up, chatting up the ladies and generally having a

Dear The Lounge,

I recently split up with my girlfriend Helen when she told me she was going travelling around the world with her mates for a year. I couldn't go because of my job, but offered to wait for her while she was gone. To my total amazement she told me she didn't think she could go for a whole year without sex and didn't want to cheat on me, so she thought it was best if we broke up altogether. To be honest, at the time I was devastated and I begged her to reconsider, but she wouldn't have it, so in the end I had to take it on the chin and settle for a fare-well fuck. I'd only been going with Helen for about four months so we were still a little coy with each other in bed. She was quite a posh girl from a very middle-class family too, so I'd never really gotten deep down and dirty with her. But I made up my mind to make amends on that last night as I stripped her out of her clothes and admired for the last time those lovely ripe boobs of hers and her curvy little arse.

together and leave right there and then. Instead, to my utter delight and relief, she bent over the sofa and said meekly, "Well if that's what you're going to do, then I guess I haven't got any choice, have I?" I was so excited I almost exploded all over her right there and then! Here she was, this incredibly pretty and sophisticated girl, acting like a total slut. I buried my face into her cunt from behind, licking and sucking her sweet pussy until my face was literally covered in her love juice. All the while she was moaning gently to herself – something that she'd always done when I'd gone down on her. She was so wet down there I soon figured it was time to test her arse to see how receptive she really was. After slathering it with a good amount of her juices I pushed a forefinger in first, and I heard her call me a "dirty bastard." Still, that didn't stop her arching her back to allow me better access, so I pumped her browneye hard and fast with first one finger, then two, while she purred with pleasure.

good old lads' night out.

We'd already done a bit of a pub crawl, knocking back the turbo-shandies, flaming sam-bucas and just about everything else so, needless to say, by the time we hit the local club, we were pretty legless. So it was straight onto the dance floor, throwing out my best shapes and trying to pull any or all of the women in there.

Now, the local club is probably like most little tin-pot nightclubs in small towns – small, dark, trashy and full of pissed up people all trying to cop off. It doesn't generally attract su-permodel standard women, but the girls that go in there are usually pretty fit and well worth a go. On this particular night, though, I couldn't get a fucking sniff. I don't usually do too badly with the ladies, but on this night I just couldn't seem to crack it. I'd even lowered my standards and tried it on the with the girls you'd usually need serious beer goggles to enter-tain shagging, but even they'd blown me out.

Feeling like it just wasn't going to be my night, I was on the verge of heading out for a con-solatory kebab, when I clocked a couple of really fit girls on the other side of the dance floor. Both blonde, with seriously toned, sexy figures, they were each dressed in tiny little mini-skirts and teeny vest tops which left very little to the imagination. They were dancing really sexily together, grinding up against each other, kissing each other and grabbing each other's boobs. Clearly desperate for attention, they were obviously putting on a show for all the guys in the bar. And it was working an absolute treat!

Every man in there had stopped what he was doing, and was staring open-mouthed at the

girls' raunchy display. Fuck getting a kebab, I thought, I wanted a proper look at this. All good for the wank bank, eh?

So I moved closer, taking it all in as the girls continued to gyrate together, intermittently snogging and practically dry-humping on the dance floor. Clearly I

had a full fucking stonker in my trousers, and though I don't like to boast, I do have a pretty big cock, so it would have been quite obvious to anyone looking. As I was stood there, one of the girls looked over at me, and I clearly saw her looking down at my crotch. She then seemed to whisper something in her friend's ear, and before I knew it they were walking over to me.

One of the girls literally just took my hand, said, "You'll do!" and then dragged me off to the front door of the club. Now it's not usually my style to let the women take the lead, but when two girls grab you and drag you out of a club, what are you supposed to do?

I've never been so desperate to get back to my place, and literally pushed some poor bloke out of the way as I stole his cab – but I'm sure he'd have understood!

A quick introduction in the back of the car – the girls' names were Karen and Lisa – and I was lucky enough to sit there watching the girls kiss and grope each other all the way back to mine.

We got back to my flat and dove straight into the bedroom, all three of us ripping each other's clothes off and jumping onto the bed. It was arms and legs everywhere, and I was like a kid in a candy shop as I kissed both girls, squeezed and stroked their firm, pink tits and fin-gered both of their tight, wet pussies at

the same time.

I lay back on the bed as Karen and Lisa sat over me kissing, as Karen gently massaged and played with Lisa's boobs, and Lisa reached down and worked her small hand up and down on my big, hard cock. It was such a rush watching them kiss as they slowly lowered their heads down to my crotch. They then broke away from each other, focusing their attention on my hard, throbbing dick, playfully kissing and licking it, then kissing each other around my shaft. It felt fucking amazing as Lisa ran her tongue around my swollen bell-end, before taking it fully in her mouth and moving her lips down to swallow my shaft. Karen licked up and down the rest of my dick, fingering my aching balls and wrapping her hand around my cock to wank me while her friend continued to suck and lick me.

They swapped a few times, Karen taking my dick in her mouth as Lisa tugged me, then back again as both girls administered an excellent blow-job. It felt so good, and I was so close to coming, and I really wanted to just blow my wad there and then, all over their pretty faces and watch them lick it all off. But I couldn't come without at least fucking one of them first!

I quickly pushed the girls off me, throwing Karen onto her back and positioning Lisa on all fours between her friend's legs. I then climbed in behind Lisa and, as she bent her head for-ward to start licking and tonguing her mate's wet pussy, I took my dick in my hand and slid into her soaking cunt. Fuck me, it was so tight and hot, and barely

We all know that Lexi is a Welsh Valley girl so posing outdoors in the glorious sunshine is like second nature to her, minus the rain of course! "Ha, yes I am used to getting wet when I'm outside, but if you look closely between my legs, you'll notice that at least one part of me is on the moist side, if you know what I mean!" Yes, we had noticed, we're sorry if it looked like we were starring in that general direction! "What, in between checking out my tits! Of course I noticed, that's why I'm so wet! To be honest I'm ready and waiting for a big fat cock to put me at ease, is it unprofessional for me to ask one of you guys? It would be a freebie on my part as I'm only getting paid to pose, not make a porno!"

Talkin' Blue

EARLY ONE EVENING, I HAD TAKEN SILVIA, MY NEW GIRL OF THREE MONTHS, TO ONE OF MY FAVOURITE BARS IN TOWN FOR A RELAXING DRINK AFTER WORK. ON THE OUTSIDE, PEOPLE WOULD NEVER SUSPECT WHO SHE WAS – SHE IS MY P.A. TO EVERYONE THAT KNOWS HER, BUT MY SEX SLAVE IN SECRET. HER DUTY AS MY SLAVE IS TO SERVE ME, AND IN RETURN I TREAT HER WITH THE LOVE AND RESPECT SHE DESERVES.

We had arranged to meet Jay, an attractive male colleague of mine who had guessed we were lovers and fancied his chances of getting to know us both a little better. After a few months mulling it over, I had decided that this would be a good learning curve for Silvia, and for Jay, a good example of the sort of obedience and discipline I run in my household.

And so, sat together round a table, the second round of drinks were bought. Silvia had changed into a tight clingy dress and some knee-high boots – just the way I liked her – and I was dressed in a similar style but with large platforms on my feet.

As the idle chat about our jobs subsided, I decided it was time to take the lead. Knowing he felt like the cat that got the cream with two attractive females on his arm, I thought it would

be fitting to give him a taste of what it would be like to be completely at my mercy. So, placing my hand on his leg as he lifted the remainder of what was in his glass to his lips, I leaned over and whispered for him to accompany us back to my house, which was just a short cab ride away.

Near choking, he grinned, nodded and looked in the direction of Silvia, who sat quietly next to me, un-flinching. Minutes later, in the cab, he was sat between us in silence until I gave Silvia permission to kiss him softly on the mouth, her hands wandering to the hard on that had arisen instantly in his trou-sers. As I watched, she continued,

her hands clawing their way up under his shirt and over the well-defined pectoral muscles that lay underneath.

“**He had a beautiful cock, with a huge round head coupled with some considerable girth that was just waiting to be played with..”**

Eventually, pulling up outside my house, we all clambered out, me first and Jay and Silvia following be-hind. All was going according to plan. Unlocking the door and marching into the bedroom, I ordered him to sit, at which he did so, as Silvia followed behind waiting for my instruction.

“Take your clothes off,” I said, sitting on the chair at my dressing table.

He slowly took off his tie, without breaking my gaze, and slipped off his shirt and trousers. Sat naked with a raging hard on, I knew

I rocked gently on my knees so I could get a rhythm going and, feeling my own pleasure mounting considerably, I motioned for Silvia to get down on her knees and suck his cock..”

this would be rather interesting. He had a beautiful cock, with a huge round head coupled with some considerable girth that was just waiting to be played with. Signalling to Silvia to step out of her dress, I watched her proudly as she stood there, naked but for a pair of boots. I arose from my chair and bade Silvia to bend over and put her hands on its arms, facing away from Jay so he could get a full view of her gorgeous, shaven pussy from behind. Walking over to my wardrobe, I opened it to

bring out some leather binding. Using this, I pulled him up and bound his hands behind his back roughly as he stood mesmerized by Silvia's sin-ewy figure. Leading him over to where she stood, I pushed him down to his knees so his head was di-rectly beneath her cunt and pushed his head to her slit, ordering him to pleasure her.

“And it better be good or I'll have to punish you...” I added.

And so, as he hungrily licked at her mound, I watched her in the mirror on the dresser as her back be-gan to arch. His cock was still rock hard, and I could tell he was aching for some action.

So, after five minutes, I pulled him by the hair onto his back on the floor. His hands still tied together and now above his head, I stood over him in my platforms and placed one foot on his bare chest and toyed with the idea of making him suck the heel. Instead, I pulled it over his chest with just enough force to make him wince until a better idea sprung to mind. Holding his gaze, I drew up my dress just

enough so he could see my pussy through my sheer panties. He stared up at it as I knelt over him and pulled them to one side. Again, I asked him to do just as he had done with Silvia. I would be the judge of his technique. Parting my pussy lips with my fingers, I sat on his face and groaned at the touch of his tongue circling my clit and licking up right into my hole.

I rocked gently on my knees so I could get a rhythm going and, feeling my own pleasure mounting con-siderably, I motioned for Silvia to get down on her knees and suck his cock. His groans were loud at her touch, and I knew he was already close, so I ordered her to slow things right down. She pulled away sharply at my command and lay back on her knees.

As he continued, my orgasm bubbled up inside me and, after a few more minutes of riding his face, I shuddered to a climax, my heart thudding, my juices dripping their way down my thighs. Sufficiently satisfied, I stood over him again.

"Good boy," I uttered, in a tone similar to one I would use for my dog. He looked up at me and grinned happily. "My turn?" he questioned. "Please just let me fuck you."

"What makes you think I'm going to let you fuck me?" I said, my voice growing stern. "You will do as I say, when I say, and you won't come unless I say so."

"But – I thought..." his voice trailed off.

"Stand up," I barked. I made him lie on the bed while Silvia went to bring out some more restraints. I tied both his hands and feet to the bedposts. While she got to work on his cock, I looked to my bed-side table to find the nipple clamps I had been using on her earlier. "Just to liven things up a bit," I purred as I nonchalantly placed one over his nipples. Shocked, he yelped as Silvia increased the speed in which her mouth devoured his thick cock while simultaneously wanking him with her delicate, ex-perienced hands.

Evidently caught between pain and pleasure, he squirmed on the bed, his eyes moving from me to Silvia. Sensing he was on the brink of coming, I motioned for Silvia to stop once again as I knelt down be-side the bed to talk in his ear.

"This really hurts," he moaned, nodding towards the clamp, his cock noticeably straining in Silvia's hands.

"That's what it's supposed to do," I retorted. Nodding for Silvia to continue, I firmly clamped. the sec-ond onto his other nipple. His body shook as his hot come spurped

out all over her hands that very second, the sensation send-ing him up through the pain barrier and into the pleasure domain. Waiting for him to finish, we stood over him, the pleasure subsiding and the pain returning. Red faced, he turned to watch us both gather our clothes and turn for the door.

"Where are you going?" he asked, his eyes wide and fearful.

"I have some important business to attend to," I said. "Don't worry, we'll be back in a few hours. Take it as a lesson for disobeying my orders..."

We love our naughty girls over here at Club International, and every once in a while, even we're left red-faced and shocked at how bad some of them are! Anita is one of those girls! You see, what we usually do is ask the girls to bring along their favourite sex toy to spice things up. Anita brought along three huge rubber cocks, and rather naively we asked her which one she was going to use during the shoot! "Oh, I'm going to use all three! The big one is definitely going up my arse, and I'm going to try and get the other two in my pussy at the same time. Sometimes it works, sometimes it doesn't, so if I can only get the two big ones up inside each of the holes between my legs I'll suck the remaining one off with my mouth, but only after it's been covered in my tasty lady juices from down below!"

It's something we always think about, so we just came out with it and asked Tina if nude modelling had made her more adventurous sexually? "Well, yes and no. I don't think what I do and what I've done in my modelling career changes the relationships I have in my 'normal life'. Sure, I've done things in front of the camera that I would never dream of doing in my own personal life. That probably pisses my fella off, but that's tough luck! He can't understand why I would have a threesome (or more!) at work but not want to replicate the scene at home with him involved. As I always remind him; he's lucky to be shagging a porn model, and if he doesn't like it he knows where the door is! I just think it helps keep me on the straight and narrow if I keep my working sex life very separate from my regular sex life. So that's why I'm a complete and utter filthy slut at work, but a good girl at home. It sounds al-most schizophrenic having these two different personalities, but it works for me."

When she turned up for this shoot, Holly was still abuzz after getting back from a brief holiday in the sun. So, we wondered, where had she got to? "Where else?" she grins. "Ibiza, of course! Whenever I'm feeling in need of some serious R&R, it's always top of my list, and it's never let me down yet!" Hmm, we don't imagine there was too much rest to be had, was there? "Well, I did sleep for three days when I got back, and being newly single there wasn't much time to rest while I was out there, but I did spent quite a lot of the time on my back..."

had I managed to build up a good rhythm of thrusts before I could feel myself about to shoot. I looked down to the filthy lezzy display in front of me, both girls moaning and whining with pleasure and that was it, I couldn't hold on any longer. I slid my dick out of Lisa and darted forward as my cock exploded with the biggest fucking load I've ever shot, sticky white jizz jetting out all over Karen's soaking, shaven cunt. I then collapsed onto the bed as I sat watching Lisa lick up all my come from her friend's pussy as she brought Karen off, wailing and screaming with a very loud orgasm.

I then sat back and caught my breath for a few minutes, watching the girls going at each other, and believe me it wasn't long before I was hard again. The three of us spent the rest of the night fucking, licking and sucking each other in every position I could think of, as I had quite literally the best night of my fucking life!

Dear The Lounge,

My wife and I have been together since we were 18, and we've only ever slept with each other. We are both turning 40 this year, and as it's a bit of a landmark birthday, we decided to spend the year trying to fulfil as many fantasies as we could. We've tried dressing up, role-play, sex outdoors and lots of other things we've each fantasised about. Obviously, as we've only ever fucked each other before, at the top of both of our lists was that we wanted to try sex with another person.

We were both pretty sure that our relationship, after all this time, is strong enough to take it, but this was a bit of a risqué fantasy, and something we decided was best done together. I'm happy for Liz for fuck another guy, but only if I'm there to see it. In actual fact, watching her being fucked by another man was one of the things on my list. I've always found the idea of watching my hot, sexy wife sucking another guy's dick, then letting him fuck her really hard, such a turn-on – probably because I know she's never done it before.

We discussed the best way of making this particular fantasy into a reality, and our first thought was that we could go to a swingers' club. I did a bit of research, however, and it seemed a bit full-on for us. I also didn't like the thought of her shagging any of my friends, and definitely not the guy from Liz's work, who she was sure would be up for it. Instead, we went back to the swingers idea, and posted an advert onto a website, looking for a guy who'd be up for a threesome. I put a picture of Liz with the ad, and within a few days we had loads to choose from. I let Liz pick the guy – well, she was going to fuck him, after all – and we arranged for him to come round the following week.

When John turned up, we were both pretty pleased. Liz obviously fancied him from the moment he walked into the house. She

had that look in her eye, and I was sure her panties would be soaking wet just imagining taking his dick in her tight pussy. And from my point of view, he seemed like a really decent bloke. We spent ages talking about football and stuff, knocking back a few beers to get into the mood.

After we'd had a few drinks, we went up to the bedroom, and we'd decided that I would sit and watch to start with. It was also Liz's fantasy to get to fuck this guy, after all, and I was fulfilling my own little dream of getting to watch. I sat in a chair in the corner of the room and let them get down to business.

They climbed onto the bed together, and quickly started to strip each other. Liz seemed a little nervous at first – quite understandably, I guess – and was almost bashful as John peeled off her bra, releasing those big, firm boobs, with which I've had so much fun over the years. However, when he slid his hand inside her panties and started slowly rubbing his middle finger up and down the crease of her pussy, she quickly relaxed into things and simply lay back, moaning and writhing. He peeled off her knickers and I could see that her pussy was indeed totally soaking. She looked about as turned-on as I had ever seen her, and my dick was as hard as a pole just watching how much she was enjoying herself. John moved his way down Liz's body, kissing all over her stomach and thighs until he got to her soaking wet cunt. He licked all the way around her pussy, his tongue going into over-drive as he nuzzled at her clit, then started poking his tongue deep into her hole, like he was fucking her cunt with his mouth. That was enough for Liz, and she was soon begging him for his dick. He duly obliged, sliding his impressively big, rock hard cock deep into her tight cunt with one long, slow thrust.

She groaned loudly, an almost pained expression flashing across her face, as only her second ever penis slid inside her. John pulled out again slowly, before slamming back into her really fast this time. She screamed out with pleasure, clearly loving it. He started to build up a rhythm, pulling out and slamming back into her, getting faster and faster till he was fucking her hard and deep. Liz looked over at me, beckoning me to come and join in. I've literally never removed my clothes so fast!

I dashed over, and whilst John continued pounding into my wife, I slid my dick into her waiting mouth. She sucked and licked it, taking the whole thing deep into her throat, swirling her tongue around me in a twisting, circular motion. However, my blow-job was short-lived (although it wouldn't have lasted long anyway!) as, gasping heavily, she removed my cock from her mouth and said, "I want you both to fuck me at the same time."

This certainly was turning out to be a night

for firsts!

We quickly repositioned ourselves on the bed, me on the bottom with Liz straddling me so I could slide my dick into her soaking, hot cunt. John then came in from behind and, after lubing her tight, puckered bum hole with her pussy juices, he pushed his dick deep into her arse. When she's really turned-on there's nothing Liz liked more than a good arse fucking, and that's certainly what John seemed to have in mind! She positively

yelped as he started fucking her bum, and her pussy muscles clenched hard on my dick, she was enjoying it so much. It was hard to build up a good rhythm at first, but we were soon into the swing of things, both John and I sawing into her two holes, pounding and fucking as she cried out with pleasure. Again her pussy muscles clenched down hard, just as John started fucking her really fast, and with just a few more thrusts he came, shooting load straight into her arse. This triggered her climax and she came hard, followed directly by me, as I gave her a second load of hot, sticky cum right up her cunt. We all then collapsed down onto the bed, a sticky, sweating, breathless mass of limbs.

It took us a good 10 minutes to recover, but the night was far from over. I let John and Liz fuck on their own for a while, so I could catch my breath, and we spent the next few hours screwing in all manner or positions and combinations. It was the most incredible night. Of course, next month we get to try out my next fantasy, and Liz has agreed to our sharing an other woman. Hopefully, it will be just as good! I'll certainly write and let you know how we get on.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

Sometimes I reckon I must be the luckiest man alive, as my girlfriend Mel really is the dirtiest girl I have ever known.

She is absolutely filthy and loves acting the slut for me.

In the two months we have been going out, Mel has fulfilled so many of my fantasies; from taking my cock up her lovely tight arse to jerking herself off with a cucumber while I filmed her.

Nothing seems to be too rude for this girl so, when I told her I'd love to see her getting fucked by another man, I wasn't at all surprised that she agreed.

Leon was the obvious choice as Mel fancied the pants off him and usually flirted outrageously when we were out together drinking. Mel loves to wear short skirts with stockings and heels so that guys get a flash of stocking tops and panties when we're out. As usual, last weekend all the guys in the pub were ogling her, as she wiggled that delicious arse of hers for their benefit.

We'd all had a few and Mel was sitting next to Leon, her hand resting on his thigh as we talked. "Pete wants to see another man's prick inside me," Mel suddenly said out of the blue, stroking her hand gently up to the growing bulge in his jeans.

Leon shot a look at me, but realised from my smile that I didn't mind.

He turned to my girlfriend and kissed her on the lips. My cock swelled as I watched their tongues squirming in each other's mouths, Mel gripping Leon's dick through his trousers in the crowded pub and kneading it slowly as it grew in her hand.

Leon slid his own hand up the sheer black nylon covering Mel's legs until his fingers could just touch the gusset of her knickers under her skirt.

Before they got totally carried away and started fucking on the table, I suggested we all adjourn to my flat.

We were hardly through the door before Leon was unbuttoning Mel's blouse and dragging her tits out of her bra. He squeezed them together and began licking her nipples in turn, while Mel wriggled out of her panties, unzipped Leon's jeans and released his cock. Fuck!

Seeing my girlfriend wanking another fat prick right in front of me was just fantastic and I took out my own dick and started to masturbate.

Mel led Leon into the bedroom and pushed him down onto the bed, clambering on top of him and stuffing his meat in her mouth.

She looked over at me as she tickled his huge purple knob with her tongue before sliding as much of it as she could between her lips. I could hear the sucking noises as she worked on his tool and I couldn't resist grabbing her arse as she continued her filthy display.

Mel moved her legs around so I could finger her twat while she sucked and the urge to stick my cock up her slippery cunt hole was almost overpowering, but I wanted Leon to have that pleasure.

I didn't have to wait long, as Mel straddled Leon's crotch and steered his throbbing muscle to the entrance of her pussy. She rubbed the end up and down the opening, smearing her sticky love juice between the cheeks of her arse and over the top of her thighs. I watched transfixed as she slowly lowered herself onto his shaft, moaning with lust as, inch by inch, it filled her gash.

Leon held onto her breasts as Mel began to screw his rock hard dick. I could see my girl's pussy juice glisten all over his shaft as

“Moving her hand rapidly from side to side over her engorged bud, she purred as she slid first two, then three fingers into her juicy cunt, her pussy lips shining with moisture and growing more pink and puffy as she neared climax.”

she pumped it inside her faster and faster, grinding down onto him before lifting her slit completely clear so I could see right inside her gaping hole.

Wanking furiously, I watched them fuck, switching positions so that Leon was on top, gripping Mel's ankles as he speared her cunt with his meat. He banged away at her, plunging up to his balls as she played with her tits, licking her lips and looking me right in the eye like some filthy slut in a porn film.

With a grunt, Leon suddenly pulled out of her twat and pointed his pulsing dick at her boobs. Mel mauled her tits for him and he exploded all over her, thick spunk jetting out of his prick and splashing onto her sweat-soaked skin. She managed to catch a dollop in her mouth and spat it out down her chin as he continued to unload his cum until he crashed down onto the bed beside her.

Unable to contain myself any longer I stood beside the bed and offered Mel my prick. She hungrily sucked it into her mouth, slurping on my shaft as I grasped one of her sperm coated breasts. The sight of my girl blowing my dick with another man's cum dribbling out of the corner of her mouth was too much for me and I squirted down her throat. Mel nearly gagged as my jizz sprayed into her. She swallowed

fucked in every one of her holes, even filming her squatting in front of us and dripping spunk out of her arse and cunt at the same time. Like I said, I'm probably the luckiest man alive!

My wife Natasha has a sizzling hot body and is like a wild animal in bed. She is really into sex and things haven't slowed down at all in the 18 months since we've been married.

She's one of those really "in your face" kind of girls, and likes to flaunt her sexuality, wearing as little as possible in order to get noticed.

I think she's amazing and I am totally besotted by her. I don't give a fuck that my parents disapprove or that my mates keep eyeing her up. She's proper eye candy and I'm the lucky bloke who gets to spend the rest of his life boning her.

It was a bit of a surprise, though, when I found out that she was bisexual. She's always been so keen for cock that I never even thought that she was into rug munching. I couldn't believe it when I stumbled onto her dirty little secret. Not many guys get to see their foxy wives getting it on with another hot bird.

It was like a dream come true! I was on my

hard, gulping the sticky goo down as she gripped the base of my shaft to squeeze out the last few drops.

Suffice to say, the evening's entertainment had only just started, and over the next few hours I got to see Mel being

way home from work when I got a call from Natasha to say that her friend from America was coming to stay for the weekend, and she wanted me to pick up some things on the way home. I must admit I was a bit annoyed as I stopped to buy some wine. But then I did smile when I realised that because she had a mate around, and would have to wait until bedtime for a fuck, she'd be absolutely gagging for it.

As I arrived home I could hear the girlish laughter coming from the kitchen and, putting away my briefcase, I walked in and greeted the girls. Natasha introduced me to Mia, who was a stunning looking brunette with whopping big tits. They were cooking dinner, so I grabbed a beer from the fridge and, leaving the girls to their own devices, I headed to the living room to chill in front of the telly.

A while later I went back to the kitchen. Seeing the place was empty, I wandered upstairs to find out what time we'd be eating. I could hear muffled sounds coming from our bedroom and, finding the door partly open, I stood in the darkened hall peering into the softly lit room.

What I saw had me grinning like a nutcase! My eyes widened in disbelief as I watched Natasha's pretty little blonde head moving furiously between a naked Mia's raised knees on our bed. Natasha was naked too, and Mia's titties thrust upwards as she moaned and bucked beneath the attention of my young wife's probing tongue.

Riveted to the spot, I watched Natasha tease and probe Mia's pretty pussy with her long, manicured fingers. Expertly she probed until she found exactly the right spot to make her visitor pant like a marathon runner. I felt my cock pressing insistently and I unzipped and released my throbbing weapon, rubbing my hand along the stiffening shaft and aching helmet.

Mia reached up for Natasha's tits, groping them as her fingers searched for her friend's hard nipples. Natasha moved up the bed and Mia pulled my wife to her, licking her juices off Natasha's lips. I watched their tongues touch and lap at each other's soft, sexy mouths, their eyes closed in apparent ecstasy. Their hands massaged each other's tits, rubbing across the stiff nipples excitedly.

Natasha lay on top of Mia, and I watched my wife press her pelvic bone against the other girl's juicy pink pussy. With their neatly trimmed bushes rubbing together and their buttocks squeezed tightly, they thrust their hips at each other, grinding their pussies harder as they became even more aroused.

I held back a gasp of surprise when Natasha leaned across to the bedside table and grabbed a slender can of spray-on deodorant. Holding it against her like an erect cock, she waved it over Mia's glistening slit and both girls dissolved into fits of giggles. With a thrust of her hips, Natasha buried the spray can into her friend's slippery cunt, holding the end tightly.

Mia arched, groaning softly as the cool length of the can penetrated her, then, thrusting her slender hips madly, she worked the can in and out of her. Natasha leaned forward, taking one of Mia's erect nipples into her mouth, sucking and licking noisily as the girl below her panted and moaned until her body stiffened in orgasm.

By this time I was pumping my cock furiously, leaning against the wall outside our bedroom for support as I peered inside.

Mia took the makeshift dildo from Natasha and, bending her forward on all fours, positioned herself behind my wife and began licking at her hot pink slit. I squeezed my cockhead, trying not to spurt, as Natasha begged her lover to stick it in, pushing her bare arse back towards Mia's face.

Trembling with excitement, I watched as Mia fucked my sexy wife with the deodorant can.

Natasha's body shuddered and her bottom bounced back against Mia's face as Mia brought her to climax, sucking Natasha's juices loudly as they dripped out of her spasming pussy.

It was the hottest scene that I'd seen outside of a porn flick and I almost stroked myself raw as Mia moved herself beneath my wife so that they could sixty-nine.

They were totally and completely into it, their slender bodies pumping and grinding into one another's faces.

Muffled groans filled the room and the sweet, musky scent of lady cum wafted to me where I lurked in the doorway.

As they writhed in the ecstatic pleasure of their orgasms, their bodies plunged and shuddered as they emptied their juices into each other's mouths. Then, rolling away from each other and catching their breath, they relaxed, spread-eagled on the bed, side by side, their wet, pink slippery slits open wide for me to look at as I felt my cock pulsate in my hand and I clenched my teeth so as not to groan aloud with pleasure.

The sight of the two lovely ladies lezzing it up in my bed was too much, and my cock emptied a hefty load onto the hall carpet.

I'm general manager of a large company with offices all over the south of England. I'm in my early 30s and married with a crippling expensive mortgage and a beautiful but frigid wife.

Looking back, being married to Louise was possibly why my career advanced so rapidly, because frankly my home life was so pathetic that I found myself spending longer hours at the office.

At first, this was to avoid having to listen Louise's perpetual moaning. Eventually, though, I found a real reason to work late: a

truly stunning, buxom young cleaner called Rose. Rose is at university and worked for the contract cleaning company that services our offices. As I work late most evenings, we saw a lot of one another, and I couldn't help noticing her voluptuous figure, even in her unflattering uniform-style blouse and skirt. She always smiled when she saw me and once, I noticed, even unconsciously wiggled her arse, so I got the impression she might well be up for some fun.

One Friday evening when I was finishing up, I decided to wait for her to come in and start on my office. I'd been flirting with her for a while and she had seemed pretty responsive.

When she arrived I offered her a drink, which she accepted and, with no more ado, she sat on the edge of my desk.

I loosened my tie and sat back in my chair, watching speechlessly as she slowly pulled up her skirt until I could see the tops of her hold-up stockings, and I stared in something approaching disbelief when I saw the sexy underwear that my little cleaner was wearing under her work clothes.

Rose grinned as she saw the look on my face. She told me she had intended to go clubbing with her boyfriend after work, but that she'd called it off at the last minute. I could feel my cock tent-poling the front of my suit trousers as she pulled her skirt up higher, allowing me a view of her tiny lace panties.

There was nothing subtle about this deliberate flashing of her underwear. She was feeling just as horny as I was.

Rose sipped her drink and casually asked me if I "fancied a fuck". Talk about being direct! It was a real confidence boost, being propositioned by a sexy young lady, especially when I thought of the frosty reception that I got from my wife. Rose stood and, placing both her hands on the edge of my desk, she leaned forward so that her blouse gaped open, exposing the tops of her voluptuous tits. Smiling, she started to undo the buttons on her blouse, her eyes never once leaving mine.

I rose from my desk and locked the door, then turned to watch Rose as she slid her blouse off and draped it over the back of my chair. Making myself comfortable in my seat, I loosened my tie, waiting to see precisely what she had in mind!

Rose unzipped her skirt, pushing it down over her hips and letting it slip down to her ankles. Then sitting, she slid her lace bra off and began massaging her breasts seductively, gently flicking her nipples until they stood out from her boobs like hard little pink bullets.

I thought I was going to have a coronary, and shifted in my seat, one hand rubbing my trou-ser-crutch as I watched her slide her panties off.

My eyes lighted on the tiny, lace garment abandoned on my office carpet-tiles and my cock stiffened as I noticed the damp stain of her excitement on the white gusset.

Sitting back in the chair opposite me, Rose placed both her stockinged feet on the edge of my desk. Ever so slowly, she spread her legs, and began running her hand down her

stom-ach over the small strip of soft curls on her gorgeous pubic mound.

She sighed and closed her eyes as her fingertips found her clitoris and she began to mas-turbate. "You like this?" she asked huskily.

Moving her hand rapidly from side to side over her engorged bud, she purred as she slid first two, then three fingers into her juicy cunt, her pussy lips shining with moisture and growing more pink and puffy as she neared climax.

I unzipped my trousers, released my erect dick, and stroked. Meanwhile, Rose drove four fingers into her fanny, biting her lip to suppress her groans as she orgasmed, her thumb still working her wet clit.

I almost lost control, but fought the temptation to launch my load there and then.

Breathing heavily, Rose rewarded my patience by slipping in on all fours beneath my desk and taking my engorged, rock-hard cock between her lips. I gripped the arm-rests on my chair as she took my prick into her mouth and sucked vigorously. Deepthroating my hard-on, she never broke eye contact as, cupping my ball-sac in one hand, she worked her way with the other one back underneath me towards my ring!

Sucking even harder, she fondled my swollen nuts then, coating her finger with saliva, she eased it inside my anus, skilfully massaging my prostate! This was a first for me and I was so astonished to have no control

over what was happening to me that I almost cried out when wads of spuzz suddenly erupted from my cock. Rose removed her finger and my arse-cheeks clenched: the abrupt, instinctive movement causing me to fire a thin jet of residual semen across her left cheek.

"I watched transfixed as she slowly lowered herself onto his shaft, moaning with lust as, inch by inch, it filled her gash."

was entirely spent and, nodding gratefully, put my cock away.

She smiled seductively up at me, flicking the small blob of my spunk perched on her top lip into her mouth with a quick movement of her tongue. I put my hand down to her and helped her to her feet, and lying her back on the desk top, I ate her pussy, making her cum at least three times, before I got our coats and took her out for something to eat.

Next time you are beneath a cliff or standing on a rocky outcrop admiring the large chunks of stone lying around, spare a thought for highly skilled Charlie, and her difficult and dangerous occupation. You see, Charlie is one of Britain's leading boulder sitters (nude division) and without her tireless graft around the coastlines of this fair isle, fish-ermen, sunbathers and hikers eager for a 'little sit down' would have no idea whether the boulder in front of them was suitable for their arse. "My Grandfather was a boulder sitter during the First World War, and it was his job to go into No Man's Land and check them before the German bums beat him to it," said Charlie, wriggling her buttocks down onto a particularly good specimen. But what makes a boulder ideal for sitting on, then? "All have different pros and cons" advised Charlie. "Some can flatten the bumcheeks evenly but have mossy deposits, while others may appear to be too un-dulating for a prolonged sit, yet will grip the arse and prevent slippage." Right...

Damn Sonya, you're looking really sexy in that bikini. "Thank you! It's my favourite summer outfit, so I thought as we were shooting by a swimming pool I'd bring it along and let you lot see me in it." And we bet it's been removed many times and you've had a bit of fun under the water too? Do you know what, I've never fucked a guy in the water, if that's what you're asking? I'd like to though, that would be wild, for whatever reason it's just never happened. I'd love to have sex in a public pool, a really busy one with loads of people there. I reckon you could get away with it, if the guy was behind me and slipped his cock up inside in really secretively. He could fuck me from behind while I held on to the side of the pool biting my lip and trying not to squeal with pleasure!"

There's no need to approach this one with caution. No, seriously!

What is it with girls like Michaela? You'd think that a female of her calibre would have potential suitors lining up longer than the dole queues were in the '80s, but it seems her abundance of beauty is having the reverse effect. Intimidated by her looks and her confidence, she's inadvertently warding off the wooers. "If I go out with my friends to a bar, no guys ever come up and talk to me. Sure, they'll eye me up and down all night long – especially if I'm wearing such a revealing dress like this one – but I never get approached. And it's driving me mad. There's even been occasions when I've seen a guy I like the look of but as soon as I try to make eye contact he's scared off. I can't remember the last time a guy initiated contact with me. It wouldn't be that bad, but I haven't had sex for so long I'm starting to worry I'll end up a celibate spinster for the rest of my life!" Come on, there must be a few brave souls among you willing to put this girl out of her misery. Don't leave it up to us. Actually, on second thoughts...

Let's face it, the last few months have been quite an ordeal, and we've probably all needed a bit of bucking up now and again... and we reckon petite lovely Adele Taylor's just the person to do it! It's a shame she's not available on prescription, because she always raises the mood of the office when she pops in, what with her cheery disposition, cheeky grin and bubbly personality. "Well, that's very nice of you to say so! I always thought you all looked so happy when I came in because you enjoy looking at me in the nip! I guess I might as well keep covered up from now on," she beams. Ahem, well no matter how perfect she is in every respect, things are even better when she's au naturel!

DOWN THE WIRE

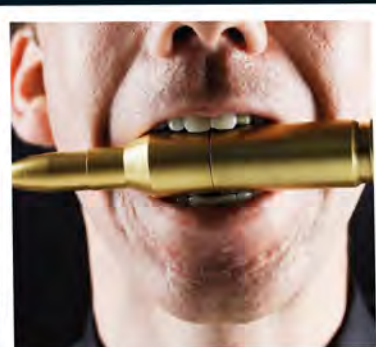

▶ LOOSE CANNON!!!

When cannons on old wooden warships were not secured properly they could break free during battle or a storm, rolling around and causing damage. This unpredictable and hazardous scenario led to the term 'Loose Cannon' to describe an uncontrollable person.

▶ BITE THE BULLET!

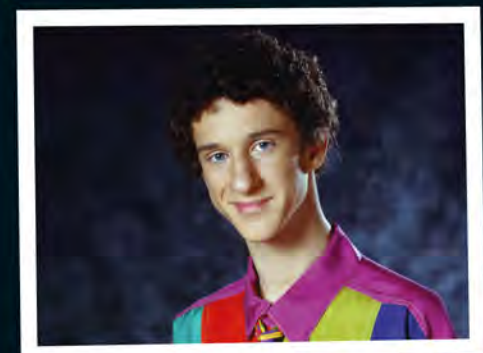

In the 19th century soldiers undergoing surgery without anaesthesia would bite down on a bullet to endure the pain leading to the phrase 'Bite The Bullet'.

▶ BURNING THE MIDNIGHT OIL!

In the 18th century before the invention of light bulbs or kerosene lamps everybody used oil lamps to be able to see at night so anybody who was working late at night would quite literally be 'Burning The Midnight Oil'.

▶ SAVED BY THE BELL!!!

In the 1800s people were often buried alive, so due to this all coffins were fitted with a bell attached to string that could be rung if whoever was buried was not actually dead. These people were quite literally 'Saved By The Bell.'

▶ COST AN ARM AND A LEG!

In the 18th century portrait artists often charged based on the complexity and amount of detail required in their work including a subject's full body particularly the arms and legs significantly increased the time and effort needed to complete the painting. Consequently, portraits that featured these were more expensive. This practice led to the expression 'Cost An Arm And A Leg'. Today this phrase describes anything that costs a lot of money!

▶ HIT THE GROUND RUNNING!

In the early days of the American railroad system workers and passengers often had to jump off moving trains to quickly start their tasks or reach their destinations. Those who landed smoothly and began running immediately were seen as ready and efficient. This gave rise to the phrase 'Hit The Ground Running'.

▶ MAD AS A HATTER!

In the 18th century hat makers used a toxic substance to create the felt used to make hats. This substance would cause mood swings, loss of coordination, memory loss and even paranoia, hence the saying 'Mad As A Hatter.'

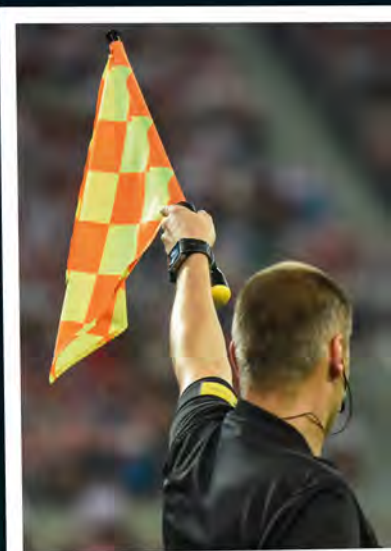

▶ STINKING RICH!

During the 18th century rich people were scared of mistakenly being buried alive at their funeral, so the rich paid for tombs above ground for their bodies to lay in, but as their bodies decomposed a vile stench was wafted across the graveyard, hence the saying 'Stinking Rich.'

▶ BACK TO SQUARE 1!

During times when football was on the radio before televisions were a thing the pitch was divided up so that the game could be followed easier by the listener. If the ball was back in the goalkeeper's box you would hear 'Back To Square One.'

▶ BREAKING THE ICE!

During The Age of Exploration and the era of trade ships in the early modern period ships often encountered large sheets of ice blocking their path in the seas. The practice of sending smaller ships to break the ice and clear a path became essential for trade and communication. Thus the term 'Breaking The Ice', which has evolved into referring to breaking down social barriers and initiating conversations.
